ONECLICK
Contractor

Create Seamless proposals, quote and Boost Your overall Sales Process with One Click Contractor.

KEY BENEFITS:

1. Save Time in the Field:

One Click Contractor simplifies the creation of detailed proposals, making it easy for all levels of sales reps.

2. Enhance Homeowner Satisfaction:

Speedy and effortless mobile quoting increases homeowner satisfaction and boosts closing rates.

3. Streamline Efficiency:

Seamless document transfers from One Click Contractor to improveit 360 ensure that paperwork never gets lost.

4. Eliminate Double Data Entry:

One Click Contractor automatically updates improveit 360 with appointment results, saving your office staff valuable time.

KEY INTEGRATION FEATURES:

1. Customizable Workflow Mapping:

Map each appointment result to a specific workflow in improveit 360. Define follow-up schedules and assign tasks to either the original rep or another team member based on your organization's needs.

KEY INTEGRATION FEATURES:

2. Seamless File Transfers:

One Click Contractor sends all documents to improveit 360's File Manager, making them easy to email or text to clients via desktop or mobile applications.
