setup fee

Connecting Google Drive with improveit 360 creates a hybrid document management model. Users can access, preview and search within improveit 360 for files stored in Google Drive.

- **Lower Salesforce Storage Costs** - Salesforce file storage can become expensive at scale. Google Drive storage is typically more cost-effective and scalable for document-heavy organizations.
- **Improved Efficiency** - Files uploaded to improveit 360 are automatically added to Google Drive and replaced with a hyperlink to the file from within improveit 360.
- **Centralized document management** - Signed quotes, contracts, and amendments are automatically stored and linked to customer records, making retrieval easy for sales, finance, and legal teams.

Technical details...

- A paid Google Drive account is required.
- Google Drive subscriptions typically range in price from \$6-18 per User/ per Month
- improveit 360's implementation team will need your login credentials for Drive Connect to complete the integration setup.
